1185 Hwy 1  
Little Brook, NS

Dear Warden LeBlanc:

As 2025 draws to a close, we want to express our heartfelt thanks for your generosity and encouragement this year. Your support continues to make a real difference in patient care across our community.

Every day, our regional hospital strives to provide the best care possible, and your contributions ensure our healthcare teams have the tools they need. Right now, our fundraising focus is a new digital mammography unit. After 15 years of faithful service, our current unit needs to be replaced. The new state-of-the-art 3D digital mammography unit will provide faster, more comfortable exams, improved accuracy, and advanced tools to support physicians in diagnosis and treatment. (Please see the enclosed newsletter for details.)

Looking ahead, preparations for the redevelopment of YRH Emergency Department are well underway. This vital project will expand capacity, improve patient flow, attract new healthcare professionals to our region, and create a more supportive environment for both patients and staff.

Thank you for helping make progress like this possible - today and for the future of healthcare we are building together.

Wishing you and your loved ones a joyful holiday season and a healthy new year.

Warm regards,

Mary Surette, BComm
